PRESIDENT'S DAY IN HOUSE COMPETITION

DATE: MONDAY FEBRUARY 17, 2020

TIME: 12:00-4:00PM

REGISTRATION DEADLINE: FEBRURY 1, 2020

COMPETITION CHAIR: KANDIS HAWKINS
KANDISE@FLORIDAEVERBLADES.COM
239-948-7825 EXT 1302

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either Learn to Skate USA and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ELIGIBILITY RULES FOR COACHES/INSTRUCTORS

To be credentialed at a Compete USA event, coaches/instructors are required to have:

- Learn to Skate USA Instructor membership OR U.S. Figure Skating full membership
- SafeSport training completed (for coaches/instructors 18 years old and older)
- Background check successfully passed (for coaches/instructors 18 years old and over)
- Learn to Skate USA Instructor Certification completed OR U.S. Figure Skating compliant coach (for coaches under 18 years old)

*SafeSport training is available through www.usfsaonline.org for full members of U.S. Figure Skating and through Learn to Skate USA portal for instructors. There is no cost to this training.

If a coach/instructor attempts to work at the event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action. All officials and adult volunteers attending Compete USA events must also be SafeSport compliant.

ENTRIES AND FEES - All entries must be postmarked no later than one week before the competition date. The first event is \$35.00, and each additional event is \$15.00. Entry fees are per person, and must be paid in U.S. dollars. Late entries will be accepted at the discretion of the competition director of the arena in question, and will be subject to an administrative fee of \$15.00. There will be NO REFUNDS after the closing date, unless an event is cancelled ENTRY FORMS MUST BE FILLED OUT COMPLETELY and returned with fees. **CREDIT CARDS OR CASH ONLY (KTB SPORTS.)**

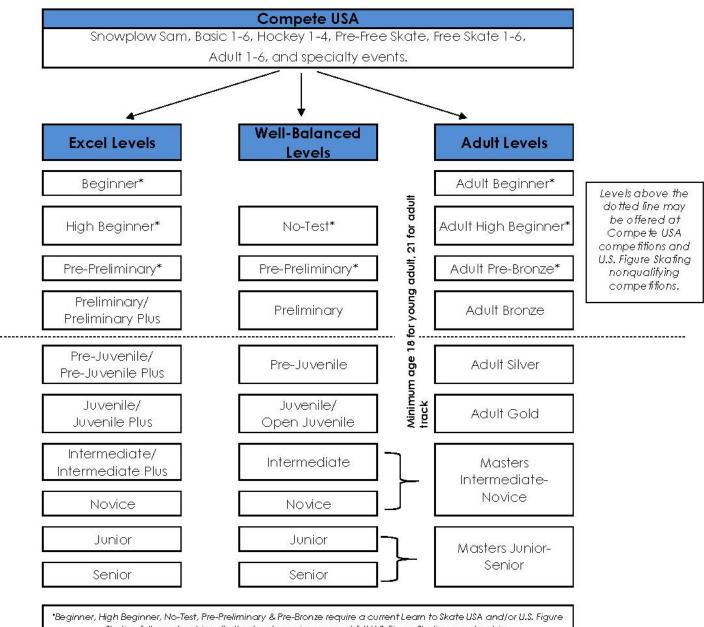

<u>MUSIC</u> - Music for free skating programs must be provided on CD. CDs should be clearly marked with the following: skater's name and event. CDs must be turned in at the time of registration. Time duration is always \pm 10 seconds. We encourage you to have an additional copy of the music in case of emergency.

COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well-Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well-Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

Skating full membership; all other levels require a current full U.S. Figure Skating membership.

- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).

• Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Costuming and make-up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories, or anything else that may fall to the ice and be hazardous to the skaters are allowed. A 0.1 deduction will be taken. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for each ten seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided or combined, if necessary, depending on entry numbers and event set up to ensure performances are contested as per the guidelines.
- Dramatic entertainment: Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- Light entertainment: Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- Duets: Theatrical/artistic performances by any competitors.
- Mini production ensembles: Theatrical performances by three to seven competitors.
